## **RASOR User Manual as on-line WIKI**

This document describes the first version of the “RASOR User Manual”, outcome of the WP9, “Platform Development and Integration”.

The delivery of the first RASOR prototype is due by June 2015, while the second versions is planned by the end of the project, March 2016.

The User Manual is released on-line as WIKI. The WIKI format is very flexible and allows each partner to give its own contribution to the manual. The Manual will be continuously updated, as soon as new functionality will become available.

The User Manual is published at the following address:

<http://www.rasor.eu/wiki>

A printable version is also available at

[http://www.rasor.eu/wiki/index.php?title=RASOR\\_User\\_Manual&printable=yes](http://www.rasor.eu/wiki/index.php?title=RASOR_User_Manual&printable=yes)

The User Manual is subdivided into different sections, which will be linked to the platform and serve as on-line support during platform use.
